Notes

1. The service rates are applicable to all days, inclusive of weekends, holidays, and other days not worked, except for sick days, while the engineer remains on assignment in the Purchaser’s work site.
2. All Bran+Luebbe parts, service and maintenance agreements EXCLUDE state and local taxes, which are the responsibility of the Purchaser.
3. The statement of these rates does not guarantee that service will always be available at all times. Service will be at the discretion of Bran+Luebbe, Inc. and based upon availability of personnel.

General

The Bran+Luebbe field service engineer will service all Bran+Luebbe, Inc., equipment to the extent authorized by the Purchaser. Bran+Luebbe, Inc., shall not be responsible for or regulate the various crafts employed in the installation or operation of the equipment, nor shall it certify the quality of the work performed by the crafts or other Purchaser personnel, or Purchaser’s subcontractors.

Purchaser agrees, at all times, that it retains control over the project and/or equipment for which Bran+Luebbe, Inc., services are to be provided.

In the event a Bran+Luebbe, Inc., service engineer is not retained for startup of equipment after repairs, Bran+Luebbe, Inc., will not be liable for a return visit or parts and equipment damaged.

Bran+Luebbe Service Price Schedule

Effective January 1, 2010

International Field Service Rate Schedule

Field services of a qualified Installation/Service Technician are available upon request. The Technician will service all Bran+Luebbe, Inc. equipment to the extent authorized by the purchaser. SPX Process Equipment /Bran+Luebbe division shall not be responsible for or regulate the various crafts employed in the installation or operation of the equipment, nor shall it certify the quality of the work performed by the crafts or other Purchaser personnel, or Purchaser's subcontractors.

Purchaser agrees, at all times that it retains control over the project and/or equipment for which SPX Process Equipment/Bran+Luebbe division services are to be provided.

International Service Rates

1. Service Technician Rates
 - a. Hourly Rate (Monday through Friday except holidays\$165.00/hour
(Includes routine travel and living expenses less airfare)
 - b. Hourly Overtime Premium Rate for Saturday, Sunday and Holidays.....50%
2. Air Transportation.....At Cost

General

Charges shall be made on an hourly basis with a four (4) hour minimum charge for each day worked and/or traveled; overtime charges are billed on an hourly basis only.

Rates for service in area other than stated above are available upon request.

The service rate is applicable to all days, exclusive of weekends, holidays and other days not worked, except for sick days, while the Technician remains on assignment in the Purchaser's work site.

In the event of the work schedule covering a period of two or more consecutive weekends, than the Technician may return to his home base on alternate weekends, commencing with the second consecutive weekend on assignment. The purchaser shall pay round trip transportation costs associated with such travel.

Seller, at its option, may replace its personnel who have been on assignment at Purchaser's work site area for a period extending beyond two (2) consecutive weekends. Upon such replacement, Purchaser shall pay Seller, at rates specified above, charges and transportation costs associated with the relocation of both personnel.

In the event an SPX Process Equipment/Bran+Luebbe division service engineer is not retained for startup of equipment after repairs, SPX Process Equipment will not be liable for a return visit or parts and equipment damaged.
